

It's with great pleasure that we announce the arrival of our new AHA Training Center Coordinator. Samantha Meade will assume her duties on December 5th. Samantha is a member of Gore Volunteer Fire & Rescue Company in Frederick County and is already an instructor with our training center. She'll keep the same e-mail address which is [lfemscpr@vaems.org](mailto:lfemscpr@vaems.org). Feel free to stop in and meet her next month!
